Timelines and orders

When booking a catering package, we request at least 7 days' notice, but we know that life is busy and schedules often busier still, so we can accommodate last-minute orders up to 24 hours prior to your event, but we would advise in these circumstances we may have a slightly restricted menu due to stock availability in the kitchen.

Payment terms

Payment can be completed via credit card in-store, bank transfer, electronic invoice link or cash. We charge a 20% (non-refundable) deposit at the time of booking confirmation – this will be retained to cover the cost of stock should your event not proceed as planned on the agreed day or be cancelled with less than 48 hrs notice. The balance of costs is payable on the day of the event, following delivery. Where more than 48 hrs notice is given, we can accommodate a schedule change without loss of deposit.
